LITE-LINE SPRING HINGES

LITE-Line

ECONOMY SPRING HINGES

OBE offers with the LITE-Line the best flex function with proven spring hinges at an economical price. The focus on the LITE-line is functionality and simplicity. LITE-Line provides a reliable hinge performance and a clearly arranged selection of matching parts. LITE-Line is the economical solution for metal, plastic and combination frames.

75% of recycled nickel silver chips are used in the production of new cases. 

FUNCTIONALITY		Proven single barrel mechanisms in stainless steel
SIMPLICITY		Easy processing with closed bottom
CONVENIENCE		Excellent price-quality ratio in all standard widths
